Rutgers Proposal – October 8, 2018 – 2:15PM

ARTICLE 14 - GRIEVANCE PROCEDURE

1
2
3 1. A grievance is defined as a claimed violation of any provision of this Agreement or of any Rutgers
4 policy relating to mandatorily negotiable wages, hours or terms and conditions of employment which has
5 been filed pursuant to this Article. The procedure set forth herein is the sole and exclusive right and
6 remedy for any and all claims that could be brought under this grievance procedure.
7

8 All grievances must specifically cite which provision of this Agreement and/or Rutgers policy is alleged
9 to have been violated; must set forth who is alleged to have committed the violation; and must set forth
10 when and where the alleged violation occurred.
11

12 2. A grievance shall be handled in the following manner:
13

Step 1

14 Prior to filing a written grievance, the aggrieved party ~~shall~~ **may** attempt to resolve the
15 matter at issue informally with his/her supervisor. Such efforts at informal resolution
16 shall not suspend the timeliness requirements for filing a grievance as set forth below.
17 Any agreements reached during an informal meeting shall not be precedential but shall be
18 binding for the current matter only.
19
20

Step 2

21 If the grievance is not resolved at Step 1, the grievance will be presented in writing to the
22 level of supervision above the one that took the action which gave rise to the grievance
23 within twenty-one (21) calendar days after the action occurred or from the date the
24 employee or the URA-AFT knew of or should have known of the action. Within twenty-
25 one (21) calendar days of receipt of the written grievance, this next level of supervision,
26 or his/her designee, will arrange for and hold a meeting with the grievant. The grievant
27 may have URA-AFT representation at the meeting if he/she desires. This next level of
28 supervision, or his/her designee, will send his/her written answer within fourteen (14)
29 calendar days after the meeting to the employee, to the URA-AFT representative present,
30 if any, to the Office of Labor Relations, and to the URA-AFT.
31
32

Step 3

33 If the URA-AFT is not satisfied with the Step 2 answer, the URA-AFT may request a
34 Step 3 meeting by the Office of Labor Relations by forwarding the grievance to the
35 Office of Labor Relations within fourteen (14) calendar days of receipt of the Step 2
36 answer. Within twenty-one (21) calendar days, the Office of Labor Relations will
37 arrange for and hold the meeting. The grievant may be accompanied at the meeting by a
38 URA-AFT representative. Within fourteen (14) calendar days after the meeting, the
39 Office of Labor Relations will send a written answer to the employee, to the URA-AFT
40 representative present, if any, and to the URA-AFT.
41
42

Step 4

43 If the URA-AFT is not satisfied with the Step 3 answer, the URA-AFT, within twenty-
44 one (21) calendar days of receipt of that answer, may submit the grievance to arbitration
45 in accordance with paragraph three (3) below.
46
47

48 3. If the URA-AFT submits a grievance to arbitration, the URA-AFT will submit to the Office of Labor

Rutgers Proposal – October 8, 2018 – 2:15PM

49 Relations a copy of its submission. The arbitrator will be chosen jointly from a panel to be provided by
50 the Public Employment Relations Commission (PERC) in accordance with the rules and procedures of
51 PERC.

52
53 The appointed arbitrator will submit, within thirty (30) calendar days of the close of the hearing, a
54 written decision.

55
56 No arbitrator functioning under the provisions of this grievance procedure shall have the authority to
57 amend, modify, or delete any provision of this Agreement. The award of the arbitrator shall be binding
58 upon the University and the URA-AFT, and the grievant, to the extent permitted by and in accordance
59 with applicable law and this Agreement.

60
61 Costs and expenses incurred by each party will be paid by the party incurring such costs except that
62 the fees of the arbitrator and PERC will be divided equally between the parties.

63
64 4. When an employee chooses to have a representative present at any of the above Grievance Steps prior
65 to arbitration, that representative must be ~~a bargaining unit member who has been~~ identified as a URA-
66 AFT representative under Article 49.

67
68 5. The time limits above may be extended by mutual agreement of the parties to the grievance in writing.

69
70 6. Any written decision or written answer to a grievance made at any step which is not appealed to the
71 succeeding step within the time limits provided, or such additional period of time as may be mutually
72 agreed upon in writing, shall be considered final. If Rutgers should exceed the time limits in replying to
73 any grievance at any step in the grievance procedure, the grievance may be advanced to the next step
74 within the time limitations for advancing a grievance as set forth above.

75
76 7. An employee will not lose pay for the time spent during his/her regular working hours at the foregoing
77 steps of the grievance procedure. In the event that it is necessary to require the attendance of another
78 employee as a witness during regular working hours, such employee shall not lose pay for such time.
79 However, this allowance of time off without loss of pay does not apply to preparation of the grievance,
80 the grievant, or any witnesses.

81
82 8. Unless mutually agreed upon, no more than four (4) URA-AFT representatives may attend any
83 grievance hearing.

84
85 9. Grievances alleging a violation of Article 26 (Non Discrimination) shall be concluded at step 3 as set
86 forth above in Section two (2); which will be the final and binding decision for the grievance.

87
88 10. The filing of a grievance under the provisions of this Article shall not prevent the University from
89 taking the action complained of, subject however to the final decision on the grievance. Pending final
90 disposition of the grievance, the grievant shall fulfill his/her professional responsibilities as assigned.

91
92 11. Disciplinary actions that do not result in suspension without pay, demotion or discharge shall not be
93 advanced beyond step 3.

94
95 12. Rutgers and the URA-AFT agree to process a grievance over a discharge in an expeditious manner.
96

Rutgers Proposal – October 8, 2018 – 2:15PM

97 13. When an employee's record is free from any disciplinary action for a period of one (1) year, any
98 letters of reprimand or documents which express dissatisfaction with the employee's work performance or
99 conduct in the employee's record shall be deemed to be removed. When an employee's record is free
100 from any disciplinary action for a period of three (3) years, any letters of suspension contained in the
101 employee's record shall be deemed to be removed.

Position Classification /Reclassification Definition

The process determines the appropriate classification and grade for new, vacant, and encumbered staff positions through a review of the position’s duties and responsibilities. A review will be conducted whenever a new position is created or when the functions of an existing position (either vacant or encumbered) change significantly and either the position holder and/or the department requests a re-evaluation of the position grade. Classification reviews focus on the contents of the position, not the performance, length of service, or personal qualifications of the employee. Major classification factors considered are:

- Knowledge
Education & skills required
- Determination of technical depth, breadth, and relation skills
- Problem solving
Environment- whether routine, standard, or broadly defined
- Accountability
Autonomy, freedom to act, impact on organization, authority

When the department initiates a reclassification, the employee shall receive a copy of the job description when finalized.

Process for Self-Initiated Reviews

1. An employee may self-initiate a request for reclassification of his/her position, not more often than once in a twelve (12) month period, by preparing the appropriate forms and submitting them to UHR. A supervisory signature is required prior to UHR review to confirm that the duties, responsibilities and requirements are accurately stated. **The supervisor will provide a signature acknowledgment, electronic or otherwise, and whether or not the duties, responsibilities and requirements are accurately stated no later than thirty (30) days from when the employee presents the supervisor with the forms for review.**

Rutgers Counter-Proposal – May 30, 2018 – 1:45PM

33

34 2. The review shall be completed within eight (8) weeks of receipt by UHR. If a self-initiated request for
35 reclassification is denied, a written explanation will be provided to the employee.

36

37 3. The employee may appeal if dissatisfied with the result of the **UHR** review by submitting a written
38 request to UHR stating the basis for the appeal and including appropriate documentation. Appeal requests
39 are to be submitted within six (6) weeks of notification of the original classification. UHR will conduct a
40 telephone interview with the employee as part of the appeal process.

41

42 4. UHR will complete the appeal review within 8 weeks of receipt of the appeal request with an extension
43 of thirty (30) calendar days if necessary.

44

45 5. The compensation for reclassifications to another grade will be effective retroactively to the payroll
46 week start date following receipt of the completed request-for-reclassification-review materials by **UHR**.

47

48 **6. The UHR website shall include guidance on how to prepare a self-initiated reclassification**
49 **request.**

50

51 **7. UHR will provide an email address on the UHR website where self-initiated reclassification**
52 **requests may be submitted as set forth in paragraph 1 of this article. Receipt of the self-initiated**
53 **reclassification request in the designated email box will constitute notification to UHR and initiates**
54 **the time frame set forth in paragraph 2 of this article.**

55

56 **8. UHR shall provide a written explanation to an employee if it is determined that an employee's**
57 **salary grade has been retained.**

Rutgers Counter Proposal – December 10, 2018

ARTICLE 39 - SALARY ADJUSTMENTS

I. Starting Salary for New Hires

A. External Hires

Salary Ranges - The normal starting salary for a successful external candidate for a vacancy in a salary range may be established by the hiring department at a salary rate up to 15 percent above the established range minimum salary. Hires beyond the 15 percent hiring range, but not in excess of the established range maximum, require VP/Provost approval and authorization.

Salary Grade Structures - For a vacancy in the grade structure, the normal starting salary may be established up to ten (10) percent beyond the midpoint of the grade. Exceptions will require the approval of the appropriate Vice President/Provost and UHR.

Hiring at rates in excess of the range or grade maximum, including requests for T-code appointments, are to be submitted to the ~~Associate~~ **Senior Vice President for University Human Resources and Organizational Effectiveness** or his or her designee for consideration and decision.

B. Internal Hires

The compensation level for a successful internal candidate (current Rutgers employee) for a job posting will be determined as detailed in the following section on Promotion or the section on lateral move as appropriate.

II. Promotion

Promotion is the formal advancement of an individual from one position to a more responsible vacant position in a higher salary range or grade. Promotion results either when an employee is the successful applicant for such a position or when a department decides to promote an employee internally to such a position. All vacant positions that are to be filled must be reviewed by UHR. Affirmative Action procedures must be followed during the recruitment process.

A. Salary

The salary increase resulting from a promotion is determined as follows. (Use the same formula for employees who are promoted into a URA-AFT covered position from another unit.)

1. A minimum of five (5) percent up to a maximum of fifteen (15) percent increase to the employee's salary at the discretion of the hiring authority. The new salary cannot be less than the minimum or more than the maximum of the new range or grade. **Hiring authorities should consider the relative internal worth of the position, qualifications of the candidate, internal equity, and external competitiveness (i.e. midpoint within relevant labor market and peer institutions) when setting the promotional salary increase.** An additional factor to take into consideration is whether the promotion results in an increase in the standard number of hours worked per week.
2. Under extraordinary circumstances, a Vice President or Provost may request that an exception be made to provide an increase in excess of the above parameters. Exception requests should be

Rutgers Counter Proposal – December 10, 2018

49 forwarded to the ~~Associate~~ **Senior Vice President for Human Resources and Organizational**
50 **Effectiveness** or his or her designee.

51
52 B. Effective Date of Promotion.

53
54 The effective date is the date on which, after all necessary approvals are received, the employee
55 begins work in the new title.

56
57 III. Lateral Move

58
59 If an employee moves laterally (i.e., to a new position that is evaluated in the same range or grade
60 as the position the employee is leaving), the employee will be placed in the new title but will remain at
61 the same salary, unless the department determines that an in-range/grade adjustment is appropriate and
62 approved in accordance with Section V.

63
64 IV. Job Reclassification

65
66 Job reclassification is the formal change in a position's range or grade due to a substantive change
67 in job content. Reclassification may be downward or upward with a corresponding change in
68 compensation and possibly a change in job title. (See Article 35 regarding reclassification)

69
70 A. When a position has been reclassified to a higher range or grade, the effective date of the
71 upward reclassification will be the payroll begin date following receipt of the completed Classification
72 and Recruitment Form by the Newark Human Resources Office, the Camden Provost's Office, or UHR in
73 New Brunswick. The compensation level for the individual is determined by following the promotion
74 policy in Section II.

75
76 B. When a position is reclassified to a lower range or grade, the compensation level for the
77 individual is determined by the downgrade policy in Section VI.

78
79 V. In-Range/Grade Salary Adjustments

80
81 In-range/grade salary adjustments may be used to provide increases to employees **under the**
82 **following conditions:** ~~either transfer to a different position within the same salary range/grade or who~~
83 ~~assume a demonstrable increase in their job duties and outcomes within the same position~~

84
85 A. **When an employee in the same position assumes a demonstrable increase in the scope,**
86 **depth, and complexity of their job functions and their outcomes which do not warrant**
87 **an upward reclassification of the employee's grade;**

88
89 B. **When an employee transfers to a different position within the same salary grade and**
90 **assumes a demonstrable increase in the scope, depth, and complexity of job functions**
91 **and their outcomes as a result of the new position;**

92
93 C. **When an employee receives a written external employment offer where the external**
94 **position is at a comparable level to the employee's current position and within**
95 **comparable job market, and a counter offer would not result in internal equity issues**
96 **within the requesting department;**

D. In order to provide for an equity adjustment as a result of substantiated internal and/or external market considerations.

All requests for in-range/grade salary adjustments require concurrence by the supervisor, the department/division head, and the appropriate Vice President/Provost. Requests will be submitted to UHR to determine if the additional responsibilities added to the position are appropriate within the current range/grade. **UHR should consider the relative internal worth of the position, qualifications of the candidate, internal equity, and external competitiveness (i.e. midpoint within relevant labor market and peer institutions).** In-range/grade salary adjustments must satisfy the following parameters:

- A. The salary adjustment should not exceed ten (10) percent.
- B. The resulting salary does not exceed the salary range/grade maximum.
- C. The employee has not had another in-range/grade salary adjustment within the last 12 months.
- D. The employee's grade has not been upgraded as a result of a reclassification or promotion within the last 12 months.**

All requests that are outside of these parameters must be submitted to the ~~Associate~~ **Senior Vice President for University Human Resources and Organizational Effectiveness** or his or her designee for approval.

VI. Downgrade

Moves to a lower job classification may occur as the result of an employee's personal choice (voluntary downgrade); for documented inadequate job performance (deficiency downgrade); or when through no fault of the employee the university determines that the individual position should be reclassified downward (involuntary, no-fault downgrade).

An employee who is given notice of layoff but who, before removal from the payroll, is the successful applicant for a lower-rated position, will be compensated in accordance with Section VI.A. - Voluntary, below. An employee who is laid off and then rehired will be compensated in accordance with the Policy on Employment Protection, Section 60.4.3, of the University Policy Library.

If an employee moves into a position covered by a bargaining unit as a result of a downward reclassification or as a result of being a successful candidate, the rules for that unit apply.

Salary adjustments resulting from these downward moves are calculated as follows:

A. Voluntary and Deficiency Downgrades

1. If an employee voluntarily elects to move to a lower-rated job and received an appraisal rating of Meets Standards on his or her most recent performance evaluation, or if the downward move is a result of documented below-standard job performance or documented disciplinary action, the employee's salary is reduced by a minimum of five (5) percent and up to a maximum of fifteen (15) percent. If the reduced salary exceeds the maximum of the lower range or grade, the individual will be placed at the maximum of the lower range or grade.

Rutgers Counter Proposal – December 10, 2018

145 2. The dean, director, or department head must submit a written request for a salary reduction
146 to the Associate Vice President for Human Resources or his or her designee for
147 consideration and decision.

148
149 3. The adjusted salary is effective the first day of the pay period following the date the
150 employee begins work in the lower-rated job title after all necessary approvals have been
151 received.

152
153 **B. Involuntary Downgrade (No Fault Downgrade)**

154
155 When the university, through no fault of the employee, determines that a position should be
156 reclassified downward, the individual is moved on to the lower range or grade at the same
157 salary, not to exceed the maximum of the lower range or grade. If the salary falls above the
158 range or grade maximum and the employee received an appraisal rating of Meets Standards
159 on his or her most recent performance evaluation, the individual's salary will be frozen ("red-
160 circled") until such time as the maximum is raised above that level, but not to exceed two
161 years from the date the salary was frozen. If at the end of two years (2) the red-circled salary
162 continues to exceed the maximum of the lower range or grade, the employee's salary will be
163 reduced to the maximum of the lower range or grade at that time.

164
165 This Section does not apply to positions supported by grant funds. When a position that is
166 supported by grant funds is reclassified downward, compensation will be calculated as in
167 Section VI.A. – Voluntary.

168
169 **VII. Title Upgrade**

170
171 When the job content of a title remains essentially the same but the range or grade is deemed to
172 be incorrect and the title is given a higher range or grade, incumbents are moved to the higher range or
173 grade as follows:

174
175 A. The employee retains the same salary in the new range or grade.

176
177 B. If the employee's salary is below the minimum of the new range or grade, it will be increased
178 to the minimum.

179
180 **VIII. Title Downgrade**

181
182 When the job content of a title remains essentially the same, but the range or grade is deemed to
183 be incorrect and the title is given a lower range or grade, salary adjustments are calculated in accordance
184 with Section VI.B – Involuntary Downgrade (No Fault Downgrade).

185
186 **IX. Red-Circled Employees**

187
188 A. When a red-circled employee is promoted or reclassified upward, the compensation level for
189 the individual is determined in accordance with the promotion policy in Section II – Promotion.

190
191 B. When a red-circled employee is reclassified downward, the compensation is determined by the
192 downgrade policy in Section VI.B – Involuntary Downgrade (No Fault Downgrade).

Rutgers Counter Proposal – December 10, 2018

193
194 C. When a red-circled employee's title is upgraded, salary is calculated in accordance with
195 Section VII.

196
197 D. When a red-circled employee's title is downgraded, salary is calculated in accordance with
198 Section VIII.

199
200 X. Exceptions

201
202 Exceptions to this article may be granted only by the ~~Associate~~ **Senior** Vice President for
203 University Human Resources **and Organizational Effectiveness** or his or her designee following written
204 request by a dean, director, or department head.

205
206 XI. All determinations made pursuant to this Article shall be made at the sole and exclusive discretion of

URA-AFT Counterproposal

May 29, 2019; 1:30 PM

ARTICLE 42 – SENIORITY AND LAYOFF

I. Seniority

A. Seniority for the purpose of this Article shall be based upon an employee’s continuous length of service in the bargaining unit. In the event employees have the same seniority date, their respective seniority shall be determined by the date of commencement of employment at Rutgers. If employees continue to have the same seniority date, their respective seniority shall be determined by alphabetical order of their last names.

B. The Office of Labor Relations shall maintain seniority lists of employees, including the date of hire, and if applicable, the date of transfer into the bargaining unit. Copies of seniority lists shall be furnished quarterly to the URA-AFT.

II. Layoffs

A. Layoff shall be defined as the elimination of a position or positions within a particular work unit. A work unit is a budgetarily discrete academic or administrative entity. The URA-AFT shall be informed of all notices of layoff.

B. In the event of layoff, the following shall apply:

1. Where one or more employee(s) in the same title performing the same functional tasks in the same work unit is being laid off, layoff shall be implemented in reverse order of seniority, provided the senior employee has the requisite qualifications and abilities to perform the work available.

2. With respect to laid off employees who have provided current contact information to UHR, the following shall apply:

a. The employee who is being laid off may meet with UHR’s designee to identify open positions for which he/she may be qualified, including but not limited to the title currently held. The laid off employee may apply for and will be interviewed and considered for such open positions for which he/she meets the requisite qualifications.

b. However, where more than one laid off employee meets the requisite qualifications for an open position, up to three laid off employees, as determined by seniority, shall be interviewed and considered.

c. Candidate selection for all open positions will be at the sole and exclusive discretion of the hiring department.

C. Any employee who is laid off and has not been placed pursuant to Section B above shall be placed on a preferred recall list for a period of up to **thirty (30)** months. During this period, a laid off employee shall be entitled to apply for any vacant URA position, and if he/she has the requisite qualification and ability to perform the work shall be interviewed and considered for that position. Candidate selection for all open positions will be at the sole and exclusive discretion of the hiring department.

D. If a position within the same title within the same work unit from which the employee was laid off is restored during the **thirty (30)** month recall period, the employee who previously held the position shall be recalled. If more than one employee in the same title has been laid off from the same work unit they shall be recalled to those restored positions in order of seniority.

URA-AFT Counterproposal**May 29, 2019; 1:30 PM**

52
53 E. Upon recall to employment an employee shall retain all seniority rights and benefits earned prior to
54 being laid off and shall immediately begin to accrue additional seniority for all purposes.
55

56 F. Employees hired on a 10-month basis shall not be entitled to utilize the provisions of this Article
57 during the 2-month period during which they are not employed.
58

59 G. The following shall also apply to laid off employees during the 30-month preferred recall period:
60

- 61 1. For employees rehired into a different position or recalled pursuant to paragraph D above within
62 12 months of the last day of work, vacation accrual will begin with the first complete calendar
63 month worked. Vacation allowance will be based on years of continuous employment as a
64 regularly-appointed staff member immediately preceding layoff.
65
- 66 2. For employees rehired into a different position or recalled pursuant to paragraph D above within
67 24 months of the last day of work, any unused sick leave accrued under the former employment
68 will be carried forward to be credited toward sick leave payment at retirement as well as for other
69 authorized use,
70
- 71 3. For employees rehired into a different position or recalled pursuant to paragraph D above within
72 12 months of the last day of work, there will not be another probationary period.
73

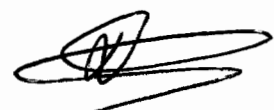

74 III. Layoff Notice
75

76 A. The University agrees that prior to laying off employees (as layoff is defined in Section I A), it will,
77 except in case of emergencies, give notice of five (5) working days for each full year of service, except
78 that the minimum notice will be thirty (30) working days notice and the maximum notice will be one
79 hundred twenty five (125) working days.
80

81 B. During a laid off employee's notice period, he/she may request time to seek other employment either
82 through use of vacation, administrative leave, adjusted work schedule, or leave without pay. Such
83 requests shall not be unreasonably denied. All vacation should be used prior to the effective date of the
84 layoff if possible. However, the employee will be compensated for any earned vacation that might remain
85 at expiration of notice period.
86

87 C. The above notice provisions do not apply to a temporary layoff of sixty (60) calendar days or less.
88

89 D. With respect to employees whose positions are funded in whole or in part by grants or contracts,

URA Counter-Proposal – January 23, 2019

ARTICLE 44 - SICK LEAVE

Sick leave is defined as a necessary period of absence because of the employee's own illness or for exposure of the employee to contagious disease.

Sick leave may also be used for pre-planned medical and dental appointments provided that the employee submits a request as soon as is practical with the expectation that the employee shall provide at least one week's notice if possible. Requests shall not be unreasonably denied. All requests shall be consistent with medical confidentiality. Upon request, the employee shall provide verification from the employee's medical or dental provider of the date and time of the appointment. If a request is initially denied and the employee provides verification of the medical necessity of the specific date and time of the appointment, the employee's request to utilize sick time for that date shall not be denied.

The meaning of sick leave may be extended to include a charge to the employee's accrued sick leave time to provide medical care to a seriously ill family member as defined in the special circumstances described below. The number of days that the employee may charge to accrued sick leave time for the special circumstances described in sections 1 and 2, below, shall not exceed a total of fifteen (15) days per fiscal year.

The meaning of sick leave shall also be extended to include the following Special Circumstances:

1. Emergency Attendance.

Employee's emergency attendance on a member of the employee's family (mother, father, spouse, domestic partner, child, step child, foster child, grandchild, sister, brother, grandmother, grandfather) who is seriously ill.

2. Medically Certified Care.

Employee's attendance upon the employee's seriously ill family member (as defined above) at a hospital, health care facility, or at home, or the employee's transport of the employee's seriously ill family member to medical treatment, when properly certified by a Health Care Provider on the form designated in Appendix H. Use of sick leave will not be permitted where the employee has failed to provide the certified form.

Medically certified care does not cover such situations as illness not defined as seriously ill, matters unrelated to medical needs, baby-sitting, running errands, and/or running a business for the family member while he/she is ill.

Full-time employees shall accrue fifteen (15) days of sick leave in each fiscal year at the rate of one and one fourth (1-1/4) days per month. During the first year of employment, employees will earn sick leave at the rate of one (1) day per month of service except that employees appointed on July 1 will earn sick leave at the rate of one and one fourth (1-1/4) days per month.

Regularly appointed part-time staff employees accrue sick leave on the same basis as full-time employees except that such accrual shall be prorated according to the percentage of time appointed. For

URA Counter-Proposal – January 23, 2019

46 example, a 50% time employee earns seven and one-half (7.5) full-time days by the end of the fiscal year
47 (fifteen (15) full-time days at 50% equals seven and one-half (7.5) full-time days.)
48

49 Unused sick leave is cumulative.
50

51 Employees are expected to notify their supervisor preferably by telephone **at least 15 minutes before**
52 **their scheduled start time** ~~as early as possible at the beginning of~~ **on** the work day on which sick leave is
53 used and to keep the supervisor adequately informed should the absence extend beyond one day.
54

55 Employees who require more sick leave than accumulated will have their pay adjusted accordingly
56 except that the employee may charge such time to vacation or administrative leave. In such cases, all sick
57 leave policies will apply. Employees may request that the supervisor make available for the employee's
58 review a current record of the employee's sick leave, such request will not be unreasonably denied.
59

60 Credit will be granted for documented unused sick leave accumulated during periods of previous
61 employment at Rutgers.
62

63 Credit will also be granted for documented unused sick leave accumulated at an agency of the State of
64 New Jersey, including a state college or university, when the individual comes to work in an eligible
65 position at Rutgers with no break in service from the date of termination at the previous state agency.
66

67 No cash payment is made for unused sick leave except upon retirement in accordance with state
68 legislation and implementing regulations. If the employee had a break in service, sick leave accumulated
69 prior to the break will not be included in the lump sum calculation unless the break occurred as the result
70 of a layoff. Further details of this payment appear in University Policy Library Section 60.3.17 Unused

ARTICLE 49 - UNION REPRESENTATIVES

Authorized representatives of the URA-AFT, who are not employees of Rutgers, shall be admitted to the premises of Rutgers under the condition that reasonable access to workplace and facilities will be granted so long as it does not interfere with or disrupt ongoing work or university activities and operations. Prior to entering the premises of Rutgers, the URA-AFT representatives shall make their presence and destination known to the Office of Labor Relations or the Department/Unit Head or his/her representative responsible for the area to be visited.

Stewards (not to exceed eighty eight (88) in number throughout the University) shall be designated in specific, geographic areas. Names of the employees selected to act as Stewards and their areas of responsibility who represent employees shall be certified in writing to the Office of Labor Relations annually in January by the Local Union.

Stewards shall be granted a reasonable amount of time during their regular working hours, without loss of pay, to interview an employee who has a grievance and to discuss the grievance with the employee's immediate supervisor. The URA-AFT President or his/her designee shall be granted a reasonable amount of time during his/her regular working hours, without loss of pay to present, discuss and adjust grievances with Rutgers, provided such person is an employee of Rutgers. When a designee is assigned to act in a particular grievance, the URA-AFT will give Rutgers prior notice. Neither a steward, nor a Union officer, nor a designee shall leave his/her work without first obtaining permission from his/her immediate supervisor, which permission shall not be unreasonable withheld.

The URA-AFT may have eleven (11) members, who are in the bargaining unit covered by this Agreement, on the contract negotiating committee. Rutgers agrees that these members shall not lose pay for time spent during their regular working hours for attendance at negotiations sessions.

Rutgers agrees to permit authorized representatives of the URA-AFT employed by Rutgers to take time off without loss of pay for the purpose of attending union conventions, conferences and educational classes, provided that the total amount of such time off without loss of pay shall not exceed fifty (50) days per fiscal year of this Agreement. Permission for such time off must be obtained from Rutgers. Such permission shall not be unreasonably withheld. Names of persons attending such activities and time to be charged shall be certified in writing to the Office of Labor Relations.

In addition Rutgers agrees to permit authorized representatives of the URA-AFT employed by Rutgers to take time off without pay for the purpose of attending union conventions, conferences and educational classes. The total amount of time off without pay shall not exceed twenty-five (25) days in the first fiscal year of this agreement, twenty (20) days in the second fiscal year of this agreement, and fifteen (15) days in the third fiscal year of this agreement.

The union shall give two (2) weeks of notice to the Office of Labor Relations concerning authorized representatives who will need unpaid release time to attend Union conventions, conferences and educational classes.

Permission for such time off must be obtained from Rutgers. Such permission shall not be unreasonably withheld. Names of persons attending such activities and time to be charged shall be certified in writing to the Office of Labor Relations.

The URA-AFT shall be permitted to meet with new employees in URA-AFT covered positions for ~~fifteen (15)~~ thirty (30) minutes immediately following the completion of regularly scheduled new employee orientations conducted by University Human Resources. URA-AFT Counterproposal

ARTICLE 50 - UNION SECURITY

A. Union Dues

Rutgers agrees to deduct from the paycheck the biweekly union dues of each bargaining unit member, as defined herein, who furnishes a voluntary written authorization to the URA-AFT for such deduction, on a form acceptable to Rutgers. The URA-AFT shall remit signed authorization forms to the Office of Labor Relations. Employees who have authorized the payroll deduction of dues to the URA-AFT may revoke such authorization by providing written notice to the Office of Labor Relations and the URA-AFT during the ten (10) days following each anniversary date of their employment. An employee's notice of revocation of authorization for the payroll deduction of union dues shall be effective as of the July 1 next succeeding the date on which notice of withdrawal is filed by an employee. The amount of union dues to be deducted by Rutgers from the bargaining unit member paycheck shall be in such amount as may be certified to Rutgers by the URA-AFT at least thirty (30) days prior to the date on which deduction of union dues is to be made. Deduction of union dues made pursuant hereto shall be remitted by Rutgers to the URA-AFT every four (4) weeks together with a list of the names of bargaining unit members from whose pay such deductions were made.

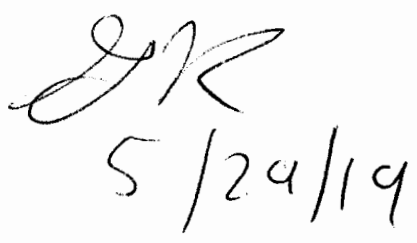

If after Rutgers receives a proper notice from an employee revoking dues authorization, Rutgers mistakenly deducts dues from the employee and transmits dues to the URA-AFT, the union shall be solely responsible for returning to the employee the dues it has received under the provisions of this agreement.

B. Indemnification

The URA-AFT hereby agrees to indemnify, defend, and save harmless the University from any claim, suit or action, or judgments, ~~including reasonable costs of defense~~ which may be brought at law or in equity or before any administrative agency with regard to or arising from the deduction from the salaries of any employee of any sum of money as dues ~~or a representation fee~~ under the provisions of this ~~Agreement or any predecessor Agreement.~~

Rutgers Counter Proposal**May 14, 2019****NEW ARTICLE – TELECOMMUTING**

- 1
2
3
4 1. Exempt URA-represented staff employees who have completed their probationary periods are
5 eligible to be considered for telecommuting. Not all eligible employees will be suitable for
6 telecommuting. Suitability for telecommuting is based upon the individual employee as well as
7 the employee's position and the needs of the employee's department (Department).
- 8 2. Telecommuting shall only be scheduled as follows:
 - 9 A. Regular: a recurring arrangement generally consisting of the same day or days each week
10 when an employee works at the alternate location. Regular telecommuting arrangements can
11 be for a finite or indefinite period of time.
 - 12 B. Occasional (Non-Emergency): a sporadic occurrence from time to time, generally on an as-
13 needed basis.
 - 14 C. Emergency: telecommuting that is precipitated by a crisis or other emergency that
15 significantly disrupts a facility or facilities or the physical operation of a department. When
16 needed to achieve business continuity and to maintain critical functions, operations, and
17 services, telecommuting arrangements may be established until normal operations can be
18 restored at the regular work location.
- 19 3. In all cases, telecommuting arrangements are revocable and can be discontinued at any time when
20 it is in the judgment of the Department that it is in the best interest of the Department to do so.
21 The Department will give 30 days' notice of discontinuance unless extenuating circumstances
22 make such notice impracticable.
- 23 4. Telecommuting does not change an employee's terms and conditions of employment, including
24 required compliance with or the application of university policies. Additionally, an employee's
25 compensation and/or benefits do not change as a result of a telecommuting arrangement.
- 26 5. Telecommuting is not intended to permit employees to have time to work at other jobs or attend
27 to other personal business, nor is it intended as a substitute for dependent care. If persons in need
28 of primary care are regularly present in the alternate work location while the employee is
29 telecommuting, the employee must demonstrate that another individual is present to provide the
30 care.
- 31 6. Telecommuting is not intended to circumvent any leave that an employee has requested and is
32 entitled to pursuant to state and/or federal law, university policy, or prevailing collective
33 negotiations agreements.
- 34 7. Prior to executing a Telecommuting Agreement, an employee shall complete the Safety Self-
35 Audit, review and sign the Information Technology Use Policy, and the Request to Telecommute
36 form and attach said documents to the Telecommuting Agreement for approval by his/her

Rutgers Counter Proposal

May 14, 2019

- 37 supervisor. Prior to executing a Telecommuting Agreement, a supervisor shall review the
38 documents referenced above for completeness and shall complete the Feasibility Assessment
39 Telecommuting Policy form and have said form approved by his/her supervisor. Upon receipt of
40 an executed Telecommuting Agreement from his/her supervisor, an employee shall execute and
41 return the Telecommuting Agreement.
- 42 8. The alternate location from which an employee telecommutes should be a predetermined site,
43 such as a home office, and should have a fixed work area that will provide the employee with
44 adequate access to the tools necessary for telecommuting, such as a telephone, computer, internet
45 connection, etc. A supervisor or other appropriate university official may arrange to visit the
46 alternate work location, or have the employee provide electronic images if the supervisor deems
47 such images are acceptable, when appropriate, to evaluate it for appropriateness prior to
48 approving the telecommuting agreement or when worksite-related concerns arise during the
49 telecommuting arrangement. The purpose of such a visit is to ensure compliance of the alternate
50 work location with the conditions contained in the Telecommuting Agreement **and related**
51 documents set forth in Paragraph 8 above. Additionally, the Department retains the right to make
52 prearranged on-site inspections of the remote work site during scheduled work hours.
53 Telecommuters should not hold business visits or in-person meetings with professional
54 colleagues, customers, or the public at alternate work sites; exceptions to this provision must be
55 approved in advance by the Department. Telecommuting does not convert the alternate work
56 location into a university place of business.
- 57 9. All costs, whether relating to the initial set-up or the maintenance of a telecommuting
58 arrangement, will be borne by the employee. The Department does not assume responsibility for
59 operating costs, home maintenance, or other costs incurred by employees in the use of their
60 homes or other alternative work locations. The Department will not reimburse the employee for
61 out-of-pocket expenses for materials and supplies that are normally available at his/her regular
62 work location. Where the work performed at the alternate location requires technology,
63 equipment or supplies, such as hardware, software, paper, ink, or the like, that exceed the type or
64 amount typical for home office use, the employee may request that the Department provide
65 directly, or through lending, such technology, materials or equipment.
- 66 10. Except as set forth below, the employee must provide his/her own computer, telephone, telephone
67 service, internet connection, and any other equipment necessary to facilitate the telecommuting
68 arrangement, unless otherwise expressly agreed to and approved. The Department does not
69 assume responsibility for the cost of employee-provided equipment or its repair or service. The
70 Department may, at its discretion, use its funds for reasonable expenses that are necessary to
71 facilitate the telecommuting arrangement, if there is a legitimate business need and adequate
72 funding exists. Such expenses must be consistent with existing university policies regarding
73 purchasing and business expenditures. When available, and at its discretion, the Department may
74 issue university-owned equipment to an employee for use in telecommuting; however, the
75 equipment is to be used only by the telecommuting employee to perform authorized university
76 business. When university-owned equipment is issued to an employee for telecommuting, the
77 employee is responsible for taking reasonable steps to protect it from theft, damage, and

Rutgers Counter Proposal**May 14, 2019**

- 78 unauthorized use. University-issued equipment used in the normal course of employment will
79 continue to be supported by the Department.
- 80 11. In general, telecommuting should not change the regular days and hours that an employee is
81 expected to be working; however, if a telecommuting employee will be performing work outside
82 of the employee's normal work days and hours, those work days and/or hours will be set forth by
83 the Department in the Telecommuting Agreement. If it is found that an employee is not
84 performing work during the telecommuting hours, the Telecommuting Agreement can be
85 revoked, and the employee may be subject to discipline as appropriate.
- 86 12. A telecommuting employee shall be as available for communication and contact during the
87 scheduled telecommuting time as he or she would be if working at the regularly-assigned work
88 location. Where practical, supervisors will outline minimum expectations for how often the
89 telecommuting employee should check email and voicemail.
- 90 13. If relevant to the type of telecommuting schedule assigned to the employee, the telecommuting
91 employee shall report to the regularly-assigned work location on non-telecommuting days. In
92 addition, supervisors may require that on a regular telecommuting day an employee must report
93 to the regularly-assigned work location or elsewhere as needed for work-related meetings or other
94 events. In that event, the supervisor should give the employee as much notice as is practicable.
- 95 14. Certain adaptations may be necessary in how supervisors communicate expectations and
96 assignments, and provide ongoing assessment and feedback, due to the fact that the
97 telecommuting employee is not always physically present in the regular work location. The
98 supervisor and the telecommuting employee should agree upon a workable means for delivering
99 such information, such as regular meetings or status emails. Likewise, supervisors should also
100 review and/or revise the criteria that will be utilized for annual performance appraisals where
101 applicable. Such criteria should be clearly defined and measurable in terms of quantity, quality, or
102 time to complete. A supervisor who will be supervising a telecommuting employee must review
103 the Managing Employee Performance Telecommuting Policy form prior to the employee
104 telecommuting.
- 105 15. The Department may offer a telecommuting arrangement to a suitable employee or an employee
106 may initiate a request to telecommute. In either case, the Department must enter into a
107 Telecommuting Agreement if it is determined that the employee and the employee's position are
108 suitable for telecommuting. An employee initiating a request to telecommute must do so by
109 utilizing the Telecommuting Request form.
- 110 16. A Telecommuting employee must adhere to the established standards and protocol relating to
111 information protection, security, and technology as set forth in, but not limited to, the Remote
112 Site Security Standards. Failure to adhere to the standards and protocol may result in revocation
113 of the Telecommuting Agreement and appropriate disciplinary action.
- 114 17. Except where the provisions therein are inapplicable or are in conflict with the provisions
115 contained in this Article, the University Human Resources Telecommuting Guidelines shall apply

Rutgers Counter Proposal**May 14, 2019**

- 116 in all instances whereby a URA-represented employee of the Department is telecommuting. A
117 copy of the guidelines will be furnished to the URA-AFT unit member prior to executing the
118 Telecommuting Agreement.
- 119 18. No employee shall begin telecommuting prior to executing a Telecommuting Agreement with the
120 Department.
- 121 19. Except where the provisions therein are inapplicable or are in conflict with the provisions
122 contained in this Article, University Policy 60.3.22 shall apply in all instances whereby a URA-
123 represented employee of the Department is telecommuting.
- 124 20. Determinations of the Department as to whether an employee may telecommute shall be final and
